

Re SWAN Day Action Fest:

We're narrowing in on selections of 1-Acts for our SWAN Day Action Fest Readings - but it's not at ALL easy: it's a really terrific group of really diverse plays, so thanks to all who submitted! Expect the announcement of the lineup soon here: <http://lafpi.com/events/>

Regardless of whether you submitted or not, PLEASE come and bring a page to be read for our Micro-Reads! It'll be a blast (thanks in advance to directors Lynne Moses and Laurel Wetzork, and actors including some faves from [The Vagrancy!](#)). Guidelines here: <http://lafpi.com/events/micro-reads-guidelines/>

We will need day-of hands-on help for the event! Email lafpi.updates@gmail.com if you're planning to come on Saturday, March 29th and can help with set-up, refreshments, collecting donations, wrangling actors/playwrights, clean-up... it's a day-long event and we'll need people from 10 am - 5 pm so any shift would be great. It should be a blast.

AND please do spread the word! FB Invite here: <https://www.facebook.com/events/1406328506286140/>

post this fabulous graphic everywhere and anywhere thru your social media (thank you Tiffany Antone and Little Black Dress Ink!) and we have great postcards - if you've got a place to put 'em, we'll get a stack to you!

See you at Sam French for [SWAN Day](#), March 29th!
